

TERMS OF USE

General Provisions.

Under this Agreement, the Company provides the User with the right to use the Products under a simple (non-exclusive) license.

The license under this Agreement is royalty-free license, unless otherwise provided by the Company.

The Company provides the User with an non-transferable right to use the Products in the countries of the whole world in the following ways:

To use the Applications for their intended purposes. To copy and install (play) the Applications on the User's mobile device(s). The User has the right to install Applications on an unlimited number of devices.

To play and distribute the Products for personal non-commercial purposes.

This Agreement is a public offer of the License Agreement. The following actions are considered as acceptance of this Agreement:

Copying (installation) of Applications by the User to his device.

The actual use of the Products without copying (installation), in the form and to the extent accessible without copying (installation).

By accepting the Agreement, the User confirms his legal status and capacity, confirms the accuracy of his data and assumes all responsibility for their accuracy, completeness and reliability.

The Company offers Users its Products on the terms set forth in the Agreement. The Agreement is subject to change by the Company without special notice. The new version of the Agreement comes into force from the moment it is posted on the Site, unless otherwise

provided by the new version of the Agreement.

Limits of proper use.

The user must properly comply with the terms of this Agreement.

The User has the right to use the Products solely for the purpose of personal non-commercial use in accordance with the terms of this Agreement.

The user may not:

To use the Products in violation of the rights and legitimate interests of copyright holders, third parties, this Agreement and applicable law;

To reproduce, distribute, process for commercial or non-commercial purposes the elements of the Products that are the subject of the copyright of the Company or third parties, in the absence of permission of the relevant copyright holders to

perform these actions.

Rights and obligations of the Company.

The Company has the right to entrust the execution of this Agreement to third parties without the additional consent of the User.

The Company has the right to provide Users with paid and free Products. Information about the conditions (name of the program, its cost, form and procedure for payment) of the use of the Company's Products is available in application stores. Information on the terms of use is governed by the terms and conditions of the Company.

The Company has the right to block the User's access to the Products in case of violations by the User of the obligations stipulated by this Agreement.

The Company has the right to limit access to the functionality of the Products for organizational or

technical reasons unilaterally until such reasons are eliminated. The Company undertakes to resolve the problems encountered in the operation of the Products as soon as possible, and in the absence of such an opportunity to notify the User by any means available.

The Company has the right to collect, store and process statistical information about the use of the Products by the User in order to improve and increase the stability of the Products.

Limitation of liability

All Products are provided "as is" and the Company is not responsible for any delays, interruptions, incorrect or untimely delivery, deletion or non-preservation of any user personal information.

Products may contain links to other resources. The User agrees that the Company does not bear any responsibility for the availability of these resources

and for their content, as well as for any consequences associated with the use of the content of these resources.

Rights to the results of intellectual activity and objects equated to them

The User acknowledges and agrees that the Products and programs associated with them are protected by intellectual property laws and other Russian laws and international law, and the content provided in the process of using the Products is protected by copyright. Except as otherwise expressly agreed by the Company, the User shall not modify, sell, distribute this content and programs, in whole or in part.

The Company provides the User with a personal non-exclusive and non-transferable right to use the Products, provided that neither the User nor any other persons with the assistance of him will copy or modify the Products; create programs derived from Products; penetrate the software in order to obtain

Product codes; carry out the sale, assignment, lease, transfer to third parties in any other form of rights in relation to the Products provided to the User under the Agreement, as well as modify the Products, including for the purpose of gaining unauthorized access to them.
